

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2018

**Supplier's name or trademark:** Mini Kühlvitrine 58L, weiß

**Supplier's address:** Franz Kleine Straße 28, 33154 Salzkotten Deutschland, DE

**Model identifier:** 700258G

**Use:** Display and sale

**Type of refrigerating appliance with a direct sales function:** supermarket cabinet

Cabinet family code, according to the harmonised standards or other reliable, accurate and reproducible methods in accordance with Annex IV.

VC4

## Product specific parameters

**4. Remote semi-vertical supermarket cabinet, roll-in: No**

Total display area (m<sup>2</sup>)

Temperature class (according to Table 4(a))

0.43

M2

## General product parameters:

| Parameter                         | Value   | Parameter                                                                                                                                                                       | Value |
|-----------------------------------|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Annual energy consumption (kWh/a) | 1013.79 | Recommended temperature(s) for optimised food storage (°C) (These settings shall not contradict the temperature conditions set out in Annex IV, Table 4, 5 or 6, as applicable) | 0     |
| EEl                               | 19.4    | Energy efficiency class                                                                                                                                                         | B     |

## Light source parameters:

|                         |                                                                                                                                                                                                                                                      |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Type of light source    | Lighting technology used: LED; Non-directional or directional: NDLS; Mains or non-mains: NMLS; Connected light source (CLS): No; Colour-tuneable light source: No; Envelope: -; High luminance light source: No; Anti-glare shield: No; Dimmable: No |
| Energy efficiency class | G                                                                                                                                                                                                                                                    |

**Minimum duration of the guarantee offered by the supplier:** 24 months
